## Starving in Russia.

The stories of misery received from Russia are almost incredible. In Bessarabia peasants are actually offering their children for sale in order to buy food, and dealers at Constantinople, hearing of this, Russian villages, a considerable number of female children. Many deaths have been caused through famine, and families may be found actually perishing from hunger and huddled together in their common \$1.50 per dozen, \$2 per crate; grapes, Tokay \$1.50 per box, nascat and black, 75c per box; pears, 75c; Eartlett, \$1.00 per box, nectarines, 00 to 75c per crate; pumpkins, misers. have purchased through agents in the

misery.

Large sums are required to prevent was populations from perishing of starvation. The government authorities, being now aroused, are exerting themselves with energy, and the distribution of relief is going on as rapidly as possible. When a quantity of grain reached Mariand, in the quantity of grain reached Marinpol, in the province of Yekatarinosiry, about a week ago, the people were so weak with want they were hardly able to come and get their portions. They gathered near the place of distributions. They gathered near the place of distributions. distribution presenting a pitiful spectacle with their wan faces and wasted forms. A force of police were present to preserve ersl instances to keep the applicants from falling through sheer hunger and weakness.

Nor is the misery confined to the lowest classes. Among the applicants at Marinpol were noblemen and tradesmen, the latter ruined in business through loss of custom on account of famine, and the former designed of the mean between their debts.

MUTTON — Live, sheared 3 to 3½c; dressed, 7c.

HOGS—Live, 5½c; d prived of the margin between their debts and their income, on which they depended. The prohibition of the export of rye was none too soon, if the more-frightful results of famine were to be averted.

THE MIST has made arrangements with the Weekly Oregonian to furnish that paper from now until December 1, 1892, and THE MIST for one year for the small sum of \$3 00 in advance. The regular price of the Weekly Oregonian is \$2 50 per year and The Mist \$1 50 per year making \$4 00 for the two. But we will send to any address, for \$3 00 cash in advence, the Oregonian for fifteen months and THE Mist for one year. This offer will only last until December I, and is an opportunity never before offered in this state. Address all communications to THE MIST, St. Helens, Oregon.

## DEAFNESS.

Scientifically treated by an aurist of world-wide reputation Dealness eradicated and entirely cured, of from 20 to 30 years' standing, after all other treatments have failed. How the difficulty is reached and the cause removed fully explained in circulars, with affidavits and testimonials of cures from prominent people, mailed free.

## CLIFTON HILL COLONY.

WHITE SALMON WASH, August 20, 1891.

This is to certify that the "Oregon Homestead Company" has secured for us good and well located homesteads, requiring little, if any clearing, with first class soil, well schapled to grain and vegetables, as well as to the production of every variety of grain and fruits that can be grown in California, Oregon and Washington, and we have located thereon. Said homesteads are stimated on the Washington side of the Columbia river, convenient to the landing of a daily line of stemmers, and opposite to Hoosd Eily, restaind, on the line of the Union Pacific railway, 55 miles cast of the city of Portland. We cordially recommend our friends and others to join our colony.

(Signed, S. A. Capes, 455 T st., Portland.

W. J. Bares, cor. Front and Hall sts., Portland.

Chas. H. Chibest, 25 Portland.

G. F. Cook, cor. Fourth and J sts., E. Portland.

C. R. Blackwett, cor. 4th and J sts., E. Portland.

M. W. Kincard, 25 Porter st., Portland.

F. Pierce, cor. Third and Ash sts., Portland.

There are now sixty settlers in the colony and claims enough for 10 to 15 more families. Call and obtain full particulars.

We are also locating a colony about three miles from Port Angeles. Five, 10 and 20-acre tracts
450 per acre.

Also a colony at Hillsboro, Or. on 19 and 20-acre tracts at \$100 and \$125 per acre. acre farm 3 miles from St. Helens, all good land, creek running through the center, splendid springs, new 6 room house, small garden, fruit trees; \$35 per acre.

We have the largest and most valuable tracts of land in the states of Oregon and Washington. We receive none for subdivision or sale that we cannot have endorsed by the leading residents of the district in which such lands are situated. We receive none except such as have an absolute perfect title.

## Four Homesteads, Acres Each, \$130 Each.

We have for sale a beautiful fruit farm of a 130 acres, 80 acres under fence, 50 acres under cultivation. Price 41,500. Terms \$1,200 cash, balance on time. With household farniture horses, cuttle, hogs, poultry, wagous and everything suitable for a first-class farm, \$2,800. Terms, \$2,000 cash, balance on time. Call and get full particulars.

115 acres fine cleared land near Roseburg, Oregon, nearly all level, dotted with beautiful cal-trees. Experience, Spendid fruit and grain farm. One 10-nere tract, near Port Angeles, \$25 per acre, cash.

## -Special!-

A party is forming here to visit the United States of Columbia. South America, during the month of December, to be absent three or four months. The inducements offered are far superior to those of California in 1849, without the hardships then endured. The mines of Columbia exceed in richness any eyer discovered in California. The climate is just the same as in California, the furning lands ranging in price from 10 cents 131 per nece. Produce, any kind of feult, rappes and grain grawn in California and Oregon, in addition to coffee, cocoa and all the tropical fruits. ANOTHER PARTY.

Is forming to visit San Diego and the City of Enseundin, Lower California in December, to spend the winter, exploring the mines and examining the country with a view of locating a colony of fristellass farmers and fruit raises. For full information, send 2-cent stamp to
